# WHY CHOOSE POPCORN INFOTECH AMONGST OTHER **SUVIDHA KENDRA**

<b>POPCORN INFOTECH</b>	<b>OTHERS</b>
 <p><b>1. INTRODUCED THE CONCEPT</b></p>	
<p>✓ Popcorn Infotech introduced this concept of GST Suvidha Kendra and started its first Franchisee in 2017 with the Start of GST Era</p>	<p>✗ With the growing success and impressive returns, there are several new Private Entities entering into this venture and business</p>
 <p><b>2. MARKETING GIMMICKS</b></p>	
<p>✓ Popcorn Infotech attempts to keep the concept very clear and aims at clean display of services. We believe in transparent pricing and process.</p>	<p>✗ Display of Misleading Figures, Branding with Ambassadors, hiding of Parent Company are few malpractices adopted to lure the public. Attractive messages are sent like limited offer and discounted prices for Franchisee etc</p>
 <p><b>3. UNREASONABLE EARNING POTENTIAL</b></p>	
<p>✓ Popcorn Infotech is looking out only for Active and Working Franchisee and hence does not display unreasonable and Glorified Earning Potential</p>	<p>✗ Display of bogus and enhanced Earning Potential to attract and onboard more Franchisee</p>
 <p><b>4. SELF COMPLIANCE</b></p>	
<p>✓ Popcorn Infotech is perfectly and timely tax compliant. Not a single day delay / late filing practised since Day 1 of incorporation. GST ITC can be claimed on all invoices. TDS can be claimed on all commissions</p>	<p>✗ If one cannot be self-compliant i.e. cannot file returns on time for themselves then how can we assume that same would be done for customers. Several times GST ITC and TDS deducted cannot be claimed</p>
 <p><b>5. NO COUPON SYSTEM</b></p>	
<p>✓ Rs. 12000 deposited as Initial Wallet Balance can be used entirely and in whole for all taxation and Compliance Services including GST, Income Tax, Pan Card, Digital Signature, Company Formation, All Govt Registrations. Entire Rs. 12,000 can be used against our taxation and compliance service charges, without any restriction.</p>	<p>✗ Others are providing coupons of Rs.100 each to be used for limited services like GST only. Coupons have restrictions &amp; not full is amount received. Which means at least 100 - 200 GST services will have to be used in order to use coupons. <b>In Short Franchise Fee is Paid</b></p>

All Charges are Exclusive of 18% GST || \* Government charges extra as per actual
